

Sports-Design Headset For Two-way Radios

Designed to Look Just Like the Headsets NFL® Coaches Wear

It's bold. It's high-tech. And it stands out in the crowd. This lightweight, single-muff headset takes its styling cue from the famous Motorola NFL® headset worn by coaches at football stadiums around the NFL®.

Ergonomically-designed for all-day comfort, it's ideal for sports and special events. Includes noise reducing boom microphone and in-line push-to-talk. Large Motorola logo adds to the sporty appearance. For SP50, P1225, CT250, CT450 and GP300 radios.

NFL® Style Lightweight Headset

Actual headset used by the NFL® is not available to consumers.

This lightweight, single muff headset takes its styling cue from the famous Motorola headset worn by league professionals like the Oakland Raiders' Jon Gruden in football stadiums around the country.
